SUPERIOR COURT NOTES

New Cases Filed the Past Week. Minutes and Orders as Copied from the Clerk's Record

A number of new cases were filed in the Superior court yesterday afternoon. Among them was a voluntary petition for dissolution of the corporation of J. H. Barker Co.

Amanda E. Waugh filed a petition for letter of administration on the estate of Henry C. Waugh. The estate is valued at about $9000 and there are 7 heirs.

Mary A. McGimsey has filed a petition for letters on the C. P. McGimsey estate, which is estimated to be of the probable value of $400.

The first account of James Clendenin, administrator of the Frank Duncan estate was filed by District Atterney Robert Duncan acting for the administrator. The account shows receipts by the administrator of $1149.15 and receipts of $583.37, leaving a balance of $565.78.

Phil Roselle was admitted to bail in the sum of $8000 last Saturday. Being unable to furnish it, he is in the county jail awaiting his second trial for the killing of Nelson.

An answer in the case of Mc Spadden vs. Moody has been filed in the Superior court. The answer contends that action under the complaint is barred by certain sections of the civil code.

L. W. Brown, administrator of the estate of J. F. Brown, has filed his final account and a petition for distribution of the residue of the estate.

The account shows receipts of $632 and disbursements of $707.39 leaving $75.39 that was overpaid by the administrator in setting up the estate. There remains undistributed land in Trinity county valued at $540 land in Mendocino county valued at $1730; horses ,cattle and other personal property valued at $1574.

A petition preliminary to quieting title was filed in the Superior court this week by C. H. Silberhorn. The petition asks for letters of administration on the estate of C. F. Silberhorn, who died in 1905. The real estate affected is a small lot near Calpella and is not of the value of more than $50.

Geo. Handy who was arrested in Fort Bragg for a statutory crime had his preliminary last week before Judge Whipple and was bound over to appear before the Superior court.

AN IRISH DRAMA AT VICTORY THEATRE

Arrah-na-Pogue, meaning Arrah of the kiss, is the special feature Manager Winnie Cox has obtained for Saturday night at the Victory. The drama deals with the endless struggle of the Irish for liberty. Arrah gained her name by passing a note to her foster brother, who was in prison, by means of a kiss. The note told him of a plan for his escape, which was carried out successfully.

The play is strong in heart interest from start to finish. It is in three reels. It will be put on Saturday night only.

Geo. Pitts Dead

Geo. C. Pitts died at Fort Bragg last Friday evening, the cause of his death being heart trouble. He had been afflicted for some time and his death was not entirely unexpected. He was a well known and well liked resident of the coast and was about 45 years of age.

Caughey Gets First

Reg Caughey took first place in the shotput at the U. C. field day on the Berkeley track last Saturday. The meet was between the foremost schools of California and Oregon and competition was keen. The Ukiah lad's throw was 49 feet, 4 and ½ inche.

Hopland Couple Wed

A marriage license was issued in Santa Rosa Tuesday to Frank Gordon and Josie Meyers, both of Hopland and they were married the same day in the rose city.

UKIAH FANS WILL SEE GAME SUNDAY

Next Sunday the baseball enthusiasts will have their first opportunity of seeing the local team in action when the Ukiah boys meet the Willits agrgegation. The locals are determined to make good showing despite the fact that the weather has prevented them from putting the finishing touches on their training. Much will depend on the pitchers, as the fielders have had little chance to practice during the past week. Van Dyke has been working out every night, rain or shine, and according to Hufft, the local catcher, he is in great shape for the opening game. Lynch has not had any work-outs since returning from Southern California but one has but to look at him to see he is in the best possible physical condition. It is not known which of these pitchers will be sent on the mound Sunday but Van Dyke should be the choice to start the game on account of the effectiveness he displayed against the Little Lake team last season. Lynch will no doubt have a chance to show what he can do as it is pretty hard for one one pitcher to go through an entire game on his first appearance of the season. Opposed to the Ukiah twirlers will be Lockhart the star of the Willits team.

Many excellent judges of players claim that the northern boy is as good if not a bit better than Gaddy who pitched for Kelseysville last year and is now with Sacramento in the Coast league. It sure looks like a great game Sunday and those who witness it will no doubt see the finest article of pitching since the palmy days of Ed. Sanford.

The game will start at 2:30 sharp at the Ukiah grounds East of the depot.

LIENS FILED AGAINST CONSTRUCTION COMPANY

Upwards of 50 mechanics liens have been filed against Elliot and Axman, the contractors who have been doing the initial contruction work on the prodosed Clear Lake R. R. Co's line from Hopland to Lakeport. It seems that the construction company is behind with pay for its men and 49 of the liens are for wages due.

Other liens have been filed against both the construction people and the railroad company itselff by other parties who have furnished supplies, etc.

The work is tied up indefinitely pending the result of an attempt that is being made to raise capital in San Francisco to carry the project through.

One construction company has offered to build the road for $100,000 cash and a certain amount of the company's bonds. The whole proposition is up in the air at present and may collapse at any time. If it should it is to be hoped that Ukiah capitalists will not let the proposition of a road from here into Lake county get away from them again.

TOWN BOARD PASSES POOL ROOM ORDINANCE

The town board met last Monday evening and passed the pool room ordinance. According to its provisions no pool or billiadrs may be played in public places on Sundays before 1 o'clock in the afternoon, and no card games on Sunday in public places at all. Minors are not allowed to look on card games at any time.

The petition to close Church street in front of the orphanage was rejected.

An ordinance was introduced to license all real estate agents, the amount being $40 a year with an additional $10 for each member of a firm exceeding one.

Resolutions of intentions were passed to pave North State street between Orr and Gibson Creeks and to divide the property benefitted into ditricts to levy assessments for the work.

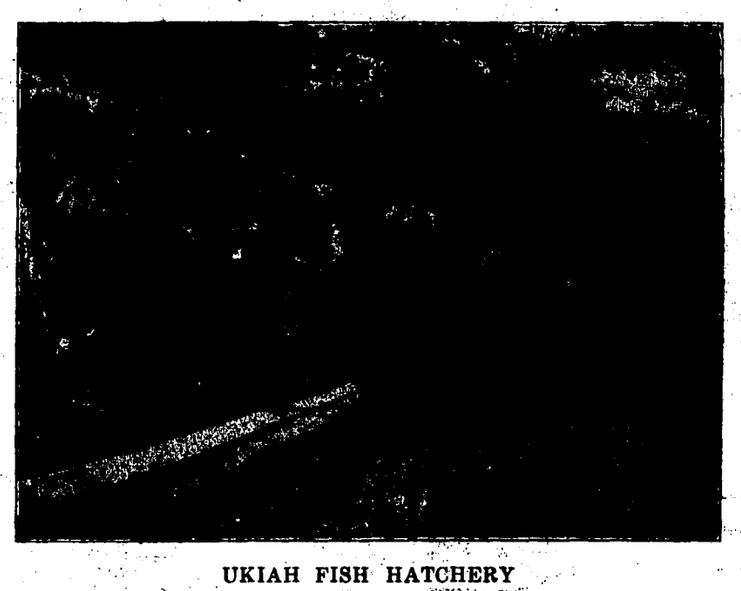
SEASON OPENS AT UKIAH FISH HATCHERY



UKIAH FISH HATCHERY

The season has opened at the Ukiah fish hatchery and a visit to it provides one of the most interesting and instructive half hours that one can imagine. Col. LaMotte, who is in charge, is most courteous in his treatment of visitors and answers all questions regarding the eggs, the hatching process and the care of the fry in a very obliging manner.

The capacity of the Ukiah hatchery is over 1,000,000 eggs but the hatchery is vastly understocked this season, there being but 500,000 available. The eggs were received from the Boulder Creek spawning station in the Santa Cruz mountains and the trout from that section are a remarkably hardy and gamey fish. The young trout were hatched out a few days ago and the work of distribution will begin in about a month or six weeks. They will be planted in waters in this section. A large number of applications have been placed on file by persons desiring the fry and these applications are under consideration by the State fish and game commission. Those waters for which the fish are asked must be perennial and this question is being investigated by the commission before final answers are given the applicants. There are more fish than have been applied for, but Col. LaMotte states that ere the season closes they will all be taken. Those who desire them are urged to get their applications in early.

No fish will be planted or given for planting in streams in which the general public is not permitted to fish, as the hatcheries are supported by the people, and this rule will meet with general approval.

The waters of Mendocino county will be well stocked this season. The commission has planted half million fry in Eel river at the Humboldt County line, which will provide good fishing in the tributaries of Eel river in this county.

In addition to this the Ukiah hatchery will stock Robinson creek, with fifty or sixty thousand; Jack Smith creek; Reeves Mill creek; Twin Rock creek; Upper Orr creek; Ackerman creek; Cold Creek; Pieta creek; Navarro; Indian; Rancheria creek; Noye and Ten Mile rivers and their tributaries, and several others for which applications have not yet been filed. This will insure fine sport in all parts of the county after the fish are well grown, which will be in the fall months.

The work of the Ukiah hatchery is to be commended and Col. LaMotte deserves great credit for his efforts to make Mendocino county a paradise for the fisherman.

The fact that we have good fishing will bring hundreds of tourists in every year.

The pumping plant which is to be installed to supplement the natural flow of Gibson creek has been delivered and will be installed by the city electrician in the near future. It will insure plenty of water, at all seasons as the water will be pumped from a tank under the building back to the head boxes whenever it is needed.

BIG GAIN IN EXPRESS SHIPMENTS OF EGGS

Express Agent Custer has been keeping an account of the shipments through Well Fargo the past few month and turns in a report of them to the company each month. His report for the month of April shows that there was a total of 761 cases shipped.

The total for the month of March was 655 cases so there was a gain of 106 cases in April. March in turn showed a gain over February.

This goes to show that Ukiah is rapidly coming to the front as an egg and poultry center. At the rate the chicks are being put into this valley, a few years will see us well up toward a rating in poultry and egg business second only to that of Petaluma.

Mrs. Smith Worse

The many friends of Mrs. Smith, widow of the late Henry Smith, will be sorry to learn that he has become much worse the past few days.

Her daughter Miss Madge, is with her in the San Francisco hospital where she has been taken and Clair Smith was sent for yesterday, leaving on the afternoon train.

They Call Him Uncle Mike

Sheriff Ralph Byrnes became "Uncle" last Friday, when a daughter was born to Mr. and Mrs. John Byrnes in San Francisco. Ralph has been receiving all the congratulations and his name now is "Uncle Mike," Mike being a nickname he has borne since boyhood.

ANDERSON HIGH SCHOOL TRUSTEES HOLD MEETING

The recently elected trustees of the Anderson Valley Union High School met Tuesday at Boonville for the purpose of organizing. Geo. Gowan was elected chairman and Mrs. Maud Ingram clerk.

Various matters were talked over by the board with School Superintendent L. W. Babcock, and each member of the board was appointed a committee of one to investigate buildings available for a location.

Mr. Babcock returned yesterday from the meeting. He states that the road between here and Boonville is fine all the way and the part on this side under the care of N. Cocking is particularly good.

Get New Machines

A. J. Haun, of Branscomb, passed through town the latter part of last week en route home from the city in his new Stanley steamer automobile, which he had been below to get. The machine was a beauty.

Several new autos put in their appearance in Ukiah the past two weeks. Judge Henley has purchased a new Maxwell fore door from Bert Van Nader.

Mrs. L. W. Babcock brought Mr. Babcock and son Ray up from the city in her new Reo the latter part of last week.

Robert McGarvey has purchased a 4 passenger Reo and J. H. Barker has received his new Reo.

The Men's Chorus will sing at the May Festival this evening.

RAIN MAKES FARMERS FEEL JUBILANT

The rain the past week has made the farmers in all sections of the state jubilant. Particularly in this section where the season is a little later than it is in the south and the Sacramento valley has the rain been of benefit. One hop man says each drop is worth $20. Once more Mendocino has redeemed herself as a county of abundant rainfall and sure crops.

There have been few years when the rainfall has been as light as it has this, but the moisture has come just at the right times and its effect on growing crops has been vastly more beneficial than in many years when we had twice the precipitation.

Cloudy nights have prevailed during the greater part of the winter and there have been scarcely half a dozen hard frosts. The result of this has been to preserve the young fruit and orchardits say that the crop will be the heaviest in years. It will have to be thinned out in many orchards to insure the quality of the fruit being good.

This is a banner year for this banner county in the matter of climate and crops and the outlook has never been more favorable to a year of prosperity for our people than it is now.

The precipitation for the storm was 2.80 inches bringing the total for the season up to 24.11 against 31.46 for last year.

Postoffice Discontinued

According to a bulletin sent out by the postal authorities at Washington the postoffice at Duffey, this county, has been discontinued.

Frank Barker made a flying trip to the city on business this week going down Wednesday and returning last night.

Miller Capsizes

Bert Miller returned yesterday from a trip to the coast on professional business. Bert had an exciting time of it at Noyo during the trip. While going down the steep hill in Noyo his team ran away and overturned the rig. The storm curtains were pinned down and Miller had to cut his way out. Luckily the team stopped when the wagon turned over.

DEMONSTRATION TRAIN WILL VISIT UKIAH

The demonstration train of the University of California which belongs to the Southern Pacific and is maintained as a traveling horticultural and agricultural exhibit, has been hired by the Northwestern Pacific and will make the run upon its line during the week beginning May 6th. The train will make stops at all the stations of any consequence and Hopland and Ukiah are included in the itinerary. The train will arrive at Hopland at 12:49 p. m. May 8th, and a meeting for the benefit of the farmers of the surrounding country will be held from 1:15 until 3 p. m. in the train. At Ukiah the stop will be from 3:30 until 6.

The train carries a corps of instructors and considerable information of vital importance to farmers and horticulturists is imparted in lectures and by way of answers to questions.

The exhibit maintained is a most interesting one and is well worth the time spent in examining it.

There will be a crowd at the May Fetival tonight, but there will be plenty of good things for everybody.

WE WILL HAVE HOP FESTIVAL

Meeting of Merchants Association Called for Tuesday Evening to Consider Annual Festival

At last steps are to be taken to insure Ukiah's having an unnual celebration, such as is held by many other small towns throughout California. It has long been conceded by our people that we ought to have some kind of an affair of this sort, but just what it should be has been a question.

The hop industry has now grown to such proportions in this section that the most appropriate thing we could inaugurate would be an annual hop festival and that it is now proposed to do.

A meeting of the merchants has been called for next Tuesday evening to consider the matter formally, but a preliminary canvas of the town shows that they are in favor of it almost without exception. Not only this, but the towns people are also enthusiastic in the matter and that the festival will be inaugurated with the utmost enthusiasm as an annual feature is a foregone conclusion.

There is no more appropriate name foran annual celebration in Ukiah than "hop festival" and no more favorable time for holding it than at the end of the hoppickng season. At that time there are upwards of 7500 outsiders in this, Sanel, Potter and Anderson vallies—the biggest crowd at any time of the year—and with these there would be no doubt of the success of the affair, even though the railroad would be unwilling to run excursions to this point (whether they will or not remains to be seen).

The date proposed is September, 9, Admission day.

Tentative plans for the festival include a three or four days' celebration. The features proposed are county fair, including displays of livestock and farm and orchard produce, horse racing, auto races, an aviation day, two or three first class street fair features, etc. The town is to be decorated in hops and carnival colors and to be illuminated at night. A novelty proposed is a band competition with ten or a dozen bands present and concerts every evening.

At the meeting of the merchants next Tuesday evening the matter will be threshed out and steps taken to get the preliminaries under way at once.

DEMOCRAT RAMPANT AT ARENA

J. C. Lane, Warbonnet for Fifty Years, Startles Coast Burg

The coast's Democratic sage and seer from the W½ of E½ of Sec. 16, Township 17, N., R. 16 W., M. D. M.—John C. Lane—the noblest Roman of them all, arrived last Thursday evening and spent a day as the guest of Mike Kost Dardanoni. While here Mr. Lane talked farm, feed and politics with friends, and spent several hours in close communication with "My Friend from India." Our coast a noted Democratic politician from the Manchester precinct, never leaves Section 16, without carrying his Democracy with him, and a little incident which occurred while here shows the true-blue kind and the fidelity and nonchalance in which he holds Democracy and all things Democratic. As a farmer, he adhered to early rising. Friday morning found Mr. Lane up with the larks and through the interstices of lace curtains looked out upon our beautiful little rock-ribbed Republican city and watched the rising sun scattering the first day's sunbeams over our Eastern hills. In a political meditation and while thinking of the great "Commoner", he stepped to the window, brushed aside the curtains and raised it, and gave three Section 16, Democratic war-whoops and hurrahs for W. J. Bryan, which through the still morning's air, reverberated from side to side, backward and forward along Main street, bringing to doors and windows, seeking a fire cause, four Democrats and Republicans alike.

UKIAH BOY IN TROUBLE

Gower Binkley Arrested at Fort Bragg for Misdemeanor

Willits April, 29—Last Thursday Sheriff Byrnes arrested Gower Binkley in Ft Bragg on a felony charge. On Tuesday of last week Binkley blew in from Ukiah and registered at Hotel Willits as from Seattle and told the clerk he was a capitalist looking for an investment. He also failed to pay his hotel bill.

He then went to Bowen's livery stable and hired a rig to take a ride around the valley. He went out to the De Camp ranch, the largest in the valley, and tried to buy it, but Mr. De Camp told him he did not want to sell. This made Binkley feel very sad for he had his heart set on owning that particular ranch.

After this he drove over the mountains to Shaka City and sent the rig back to town with a boy he took along with him. He also failed to pay the livery bill. At this juncture the Sheriff happened along and a warrant for Binkley's arrest was sworn out before Judge Whitney. The Sheriff then went on to Fort Bragg and arrested Binkley.

Binkley was brought up last night and we understand he will plead guilty to a misdemeanor charge today.

A Narrow Escape

Ray Valentine fell some twenty feet from the roof of the Silva cottage at the north side of Big river Monday and miraculously escaped having his neck broken. He was shingling at the time and the supporting frame on which he was sitting gave way and he started down the steep incline of the roof toward the eaves. He grasped a scantling as he pitched off the roof, but it was not fastened and did not stop him in his flight. He fell, striking the ground on the small of his back. He landed only four inches to one side of a small pine stump. Had he struck this he undoubtedly would have been killed. As it was, he was badly shaken up, but no bones were broken or internal injuries sustained and he was able to resume work again the latter part of the week.—Beacon.

DEMOCRAT RAMPANT AT ARENA

J. C. Lane, Warhorse for Fifty Years, Startles Coast Burg

The coast's Democratic sage and seer from the W½ of E½ of Sec. 10, Township 13, N., R. 16 W., M. D. M.—John C. Lane—the noblest Roman of them all, arrived last Thursday evening and spent a day as the guest of Mine Host Davidson. While here Mr. Lane talked farm, field and politics with friends, and spent several hours in close communication with "My Friend from India." Our coast's noted Democratic politician from the Manchester precinct, never leaves Section 10, without carrying his Democracy with him, and a little incident which occured while here shows the true-blue kind and the fidelty and sacredness in which he holds Democracy and all things Democratic. As a farmer, inclined to early rising, Friday morning found Mr. Lane up with the larks and through the interlaces of lace curtains looked out upon our beautiful little rock-ribbed Republican city and watched the rising sun scattering the first day's sunbeams o'er our Eastern hills. In a political meditation and while thinking of the great "Commoner", he stepped to the window, brushed aside the curtains and raised it, and gave three Section 10, Democratic war-whoops and hurrahs for W. J. Bryan, which through the still morning's air, reverberated from side to side, backward and forward along Main street, bringing to doors and windows, seeking a first cause, both Democrats and Republicans alike.

JOHN C. LANE
Who Startled Point Arena.

Until discovered, Mr. Lane stood with folded arms before the window, serenely watching the effect even the lisp of the "Peerles" one's name has on the average American citizen, then with a 16 to 1 smile hovering on his countenance passed on down to the dining room for his breakfast. Even Ed Zimmerman, thunder struck, said, "What, is that man alive? It is the first time I have heard his name in ten years. "X" paced up and down Main street for half an hour afterwards, to get the name of the man with so much daring audacity, and cable the particulars to that Democratic banner of light, the Mendocino Beacon, and the only Roosevelt progressive in our midst—Joe Bishop—has not been seen since. Never before has our generally quiet little village been so startled and stirred to momentary excitement, at least, not since the day some years since, when George Ray Batt came driving into town, wearing a Bryan button, showering silver plums and the golden peaches right and left to friends, and shouting for the "Peerless" one—Bryan. Mr. Lane left late Friday afternoon for Section 10, where, since taking that post-graduate course in Agricutlure, he is now conducting experiments with vegetables and cereals, with a view to bettering our coast productions. He has five acres in corn, which he is watching in different stages of its growth and developement from the kernel, to blade, to stalk, to ear and tassel, to corn, and when in its ripeness and harvest, he purposes giving all his friends an old fashioned corn "husking bee" this fall, and show them what genuine Democratic hospitality is, as a means of getting it husked.—Record.

UKIAH BOY IN TROUBLE

Grover Binkley Arrested at Fort Bragg for Misdemeanor

Willits April, 30—Last Thursday Sheriff Byrnes arrested Grover Binkley in Ft Bragg on a felony charge. On Tuesday of last week Binkley blew in from Ukiah and registered at Hotel Willits as from Seattle and told the clerk he was a capitalist looking for an investment. He also failed to pay his hotel bill.

He then went to Bowen's livery stable and hired a rig to take a ride around the valley. He went out to the De Camp ranch, the largest in the valley, and tried to buy it, but Mr. De Camp told him he did not want to sell. This made Binkley feel very bad for he had his heart set on owning that particular ranch.

After this he drove over the mountain to Shake City and sent the rig back to town with a boy he took along with him. He also failed to pay the livery bill. At this juncture the Sheriff happened along and a warrant for Binkley's arrest was sworn out before Judge Whitney. The Sheriff then went on to Fort Bragg and arrested Binkley.

Binkley was brought up last night and we understand he will plead guilty to a misdemeanor charge today.

PLEASED WITH REYNOLDS

Correspondent to Beacon Writes in Glow-Terms of Roads

SUPERVISOR FRANK REYNOLDS

Navarro Ridge, April 22.—Everything in this part of the country looks flourishing. Orchards are mostly all sprayed and trees are in bloom.

The roads in this district were never in a better condition than they are now. Mr. Reynolds is a No. 1 Supervior, and all are pleased with his management of the roads. He has John Ray overseeing the work.

Mr. Reynolds had a double watering-trough put in on the Halfway House hill—something that had been needed always.—Beacon.

A Narrow Escape

Ray Valentine fell some twenty feet from the roof of the Silva cottage on the south side of Big river Monday and miraculously escaped having his back broken. He was shingling at the time and the supporting frame on which he was sitting gave way and he started down the steep incline of the roof toward the eaves. He gripped a scantling as he pitched off the roof, but it was not fastened and did not stop him in his flight. He fell, striking the ground on the small of his back. He landed only four inches to one side of a small pine stump. Had he struck this he undoubtedly would have been killed. As it was, he was badly shaken up, but no bones were broken or internal injuries sutained and he was able to resume work again the latter part of the week.—Beacon.

Child Hurt By Horses

Wednesday morning the little three year old son of A. Moretti, living on the Ukiah road about two miles from town got out near a mare and colt that were feeding and came very near losing his life as a result. The child's parents were busy at tasks about the home and did not notice where the little fellow had strayed, until some time after the encounter when they found the boy in an unconscious conditon with a deep cut in his scalp and also one in his cheek, besides numerous concusions on his body.

The little fellow is doing very nicely and will pull through all right, but he will be somewhat disfigured.—Beacon.

Note—The assessment of property throughout the State of California is made during the months of MARCH, APRIL, MAY and JUNE, and the law requires that each individual property holder file a statement with the Assessor or his deputy during those months.

Mortgagees, or persons who hold mortgages against others, must annually during the month of March report to the Assessor the amount due on their mortgages, otherwise proper deduction cannot be made.

STATE POLL, ROAD POLL AND HOSPITAL TAX

Are due on demand from all persons liable to same. Between the first Monday in March and the first Monday in July, the amount is state poll $2.00. road poll $2.00, hospital $1.00, if not paid by the first Monday in July; $1.00 is added and the amount becomes $6.00.

All persons owning real estate that has heretofore been assessed to the wrong name, or those who have purchased real estate within the past year, are requested to appear with their deeds at the Assessor's office or to the deputies, during the months of March, April, or May, and have the proper changes made.

Will those having fruit trees or vines kindly enumerate the same, giving number and age of each kind, so as to save the time when the Deputy Assessor calls.

Any desired information relative to assessments will be furnished upon application at the County Assessor's office, Court House, Ukiah.

The Record in Ukiah is a Unique One.

If the reader has a "bad back" or any kidney ills and is looking for an effective kidney medicine, better depend on the remedy endorsed by people you know. Doan's Kidney Pills have given great satisfaction in such cases. Ukiah citizens testify to this. Here is a case of it:

Mrs. John Wilson, Scott St., between School and Oak Sts., Ukiah, Calif., says: "It would be impossible for me to give Doan's Kidney Pills more praise than they deserve. For a long time I was in misery and found nothing that would give me relief. Pains started in my right hip and extended into my back and often I was so miserable that I could not lie down. I felt tired all the time and had no energy. Reading public statements given by some of our citizens who testified strongly in praise of Doan's Kidney Pills., I was led to believe that they might help me. I procured them and had used four boxes when all my pains and aches had disappeared and I was as strong and well as ever. Doan's Kidney Pills will always have my endorsement for they cured me after I had almost given up all hope of ever being well."

Raw Colored Silk.

Much interest has been awakened by the experiments at Lyons in feeding silkworms with leaves stained with various dyes in order to cause them to spin silk of corresponding colors. When fed on red food the worms spin red cocoons, and the silk seems to retain the color. The experiments with leaves stained blue have been less successful. Although the expectation has been raised that this process may prove of commercial importance, the experimenters say that they do not expect to make any discoveries which will affect the industry of dyeing.—National Monthly.

UKIAH, CALIFORNIA, FRIDAY, MAY 3, 1912

THE PEOPLE HAVE ALREADY ENDORSED CHAMP CLARK

The people of the United States have already endorsed Champ Clark for president. In the Congressional election of 1910 the people of the Country knew that if a democratic Congress were elected that Champ Clark would be selected speaker of the House and shape the democratic policies. Knowing this, the voters of the Country placed the democrats in power and Champ Clark was made the Speaker. The details of that election are interesting. A comparison of the vote of 1908 for Bryan and the congressional vote of 1910 in the pivotal states of New York Ohio, Indiana, Illinois and Iowa shews that a republican majority of 536,497 was changed to a democratic majority of 177,766. This was a definite endorsement of Champ Clark. If the people would endorse him in 1910 they would be more enthusiastic now after Clark has demonstrated his ability as a leader.

In order to win in November the democrats must carry the South, Missouri, Kentucky, New York and either Ohio, Indiana or Illinois. The sum total of the democratic congressional vote in New York exceeded the republican vote by 67,000; in Ohio the democratic majority was nearly 100,000; in Indiana it was 37,000. This is certainly a direct and definite endorsement of Clark.

In Illinois in 1908, there were 19 republican and 6 democratic congressmen elected; in 1910 there were only 14 republicans elected while the democrats elected 11. In Ohio in 1908 there were 13 republican and 8 democratic congressmen elected: in 1910 there were only 5 republicans elected while the democrats elected 16. This was certainly another splendid endorsement of Clark. In New York, in 1908 there were 26 republicans and 11 democratic congressmen elected; in 1910 the republicans elected only 14 while the democrats elected 23.

To sum it all up in one grand total in the following four pivotal states Illinois, Ohio, New York, Indiana, we have the following: In 1908 the republicans elected 63 conrgessmen and the democrats 35; in 1910 the repobllicans elected only 34 while the democrats elected 62.

The splendid race made by Champ Clark in the Illinois and Nebraska primaries shows him to be stronger in 1912 than democratic congressmen were in 1910. Clark has demonstrated his strength. He can win and should receive the nomination by acclamation.

Go to the polls on May 14 and vote for Clark and the Clark delegates, headed by Theodore A. Bell.

Party Should Honor Bell

There is some talk among democrats as to the personel of the delegates to the national convention and the claims of various ones have been urged.

Among all those mentioned no one is more deserving of the honor than Theodore A. Bell. He has fought the battles of the party for the past 16 years. Twice he made the race for governor and was barely defeated while the rest of the ticket was beaten by 100,000 majority.

The democratic party and California particularly, owes him a debt of gratitude. When California was making the fight for the Fair, Bell was appealed to; and although he had just come out of a political campaign that had financially left him on the rocks, he left his law practice and his family and went to Washington, where he worked hard for three months without compensation to assist in securing the Fair. He was a powerful factor in that fight. It was mainly through his influence that Champ Clark was induced not to throw the power of the democratic organization behind New Orleans.

It was Bell's quick and timely work that secured the support of the New York delegation and thus virtually settled the fight. Of all the men in the state that are entitled to go to the national convention Theodore A. Bell stands first. He heads the Clark delegation and should receive the hearty support, as should Clark, of every loyal democrat in the state.

o—o—o

The hysteria emanating from the Wilson camp shows that the Johnsonized-Lissnerized democrats are on the toboggan. Their attacks on Champ Clark's record convict them of being stand pat reactionaries. A great many of them fought Bell for governor and now want to control the party organization. Such traitors should be dealt a hard blow by honest democrats on May 4th.

The Roosevelt Johnson machine in California is strong for Woodrow Wilson for the democratic nomination for president. They think that if Roosevelt is nominated he will have no difficulty in winning from Wilson and that if Taft is nominated Wilson can beat him. Then they will have the distribution of whatever patronage Wilson will throw to this state. They are carrying out that most difficult and most lucrative (if successful) political game of playing both ends against the middle. They intend to have the distribution of the plums no matter which party is victorious if it is possible. To that end they have sent out the word to the Johnsonized-Lissenerized democrats who herd with them and take orders from them that Wilson is their choice.

—o—o—

Needless to say the democracy of this state is not going to allow itself to be gobbled up by the Meyer-Lissener bunch of political pirates. The more influential leaders of the party refused to be dictated to as to whom they should support for the presidential nomination and rejected Woodrow Wilson unequivocally when the Meyer-Lissener crowd attempted to shove him down their throats. Naturally enough this course has aroused the ire of the self-styled reformers and when the leading democrats of California endorsed the candidacy of Clark and began to work for him tooth and nail the only course left open to the opposition was to begin a campaign of villification and abuse. At first they attempted to besmirch Theodore Bell by shouting that he was in league with Hearst. When this was proved conclusively to be a lie they turned their attention to coupling Hearst with Clark. Their latest effort is an attempt to show that Hearst has been promised the nomination for vice-president if Clark is given first place on the ticket in return for his support of Clark's candidacy.

—o—o—

This is no less a lie than the other statement. Hearst had to support someone. If it had been Woodrow Wilson we wonder what other lie would have been scared up. The fact of the matter is that Theodore Bell, leader of the Clark fight in California, opposed Hearst at every move and while in the East stood steadfastly against him. Hearst surrendered unconditionally and came into the Clark camp of his own accord. The fact that the republicans of this state who desired to dictate the democratic choice have been outgeneralled and beaten at every stage of the game has made them furious and their last resort is to turn loose a pack of lies calculated to damage Clark if not refuted in time.

o—o—o

A lie always acts as a boomerang in a campaign and when the democrats of California turn out at the polls a week from Tuesday it will be to endorse the course of their trusted leader, Theodore Bell, and to give Clark the delegation of this state by a majority that is calculated to be at least three to one, thus rebuking in no mild terms the self-sainted fakers who seek to grab control of California to their own financial as well as political aggrandizement.

CLAIM RAILROAD HAS LOST RIGHT

Has the Northwestern Pacific railroad slept on its right to build a railroad from a point near Healdsburg through the Dry Creek Valley section to Wendling in Mendocino county to enter a valuable timber belt in that section, connecting at Christine with a short line running to Albion?

This is a point being argued before Judge Denny in the Superior Court of Sonoma County, according to the Santa Rosa Press Democrat.

J. Rollo Leppo and Ed M. Norton, attorneys for W. S. Lambert, who is being sued by the railroad to condemn a right of way for the proposed road through his ranch in Dry Creek valley, incline to the belief that the railroad has forfeited its right. They say that the railroad, as provided by the law and under its articles of incorporation, has not complied with the provision to build and put in operation not less than five miles of the road in each year. According to testimony given in Court yesterday by Right of Way Man Gillogly of the N. W. P., from three to five miles of railroad was built from Albion to Christine some time in 1908.

On the other hand Albert Raymond and Thomas J. Geary are resisting the argument of counsel, saying that the point raised by defendant could only be urged by the State. They also urge that under the articles of incorporation at the time when a number of smaller roads were merged into the Northwestern Pacific, they are compelled to build five miles of road a year, and put it in operation somewhere in the general system of road owned by the corporation they represent. They have not been heard in argument yet. The argument will probably consume some time. There are a number of points that are being presented and many authorities are being cited by consel. Attorney Leppo had the opening inning yesterday.

The jurors chosen to try the case are: L. Lynn, F. J. Schiebel, H. F. Dorr, E. Gordon, C. D. Ward, G. R. Riewerts, Henry Meyerholtz, D. Duvander, A. Van Wyck, J. A. Mc Allister, C. W. Meadow and F. A. Barnett.

Many residents from the Dry Creek section were in town yesterday, having been called as witnesses. Many of them will testify as to land values in the section. The Northwestern Pacific is plaintiff in a number of condemnation suits in the Dry Creek section.

After Passenger Traffic

E. A. Thurston, traveling passenger agent for the Western Pacific, was in Ukiah the early part of the week accompanied by his wife. Mr. Thurston is getting acquainted in this section with a view to obtaining intra-state and transcontinental passenger traffic for the Western Pacific.

The railroad he represents is a new one to enter California and comes in by way of the Feather River canyon. It is one of the most beautiful scenic routes in the United States and Mendocino County people contemplating a trip to the East would do well to address Mr. Thurtson at 1326 Broadway Oakland, and learn about the Western Pacific's route.

Mrs Mary Case Dead

Mrs. Mary Case, mother of Mrs. T. F. Heacock, Mrs. Dan Gibson, Mrs. J. H. Bell, and Walter Cockerell, died at Ceres, Calif., on Saturday, April 27th, aged 85 years 11 months and 9 days.

Mrs. Case was well known in Ukiah, having lived here many years. Two and one half years ago her failing health compelled her to reside with her daughter, Mrs. Bell, in Oakland and later in Ceres.

She had been a member of the Christian Church for sixty five years, all of the time of her residence in Ukiah being a member of the Christian Church of Ukiah.

She was buried at Ceres on Monday, April 29th.

Busby Ministrel Won Loud Applause

The best tented show seen in Grand Junction in a long time was produced last evening when the Harrison Minstrels, owned and produced by J. M. Busby appeared before a crowd that packed the seats and left a large number standing. The show is full of tuneful and humorous acts and keeps the audience in a roar of laughter from start to finish. The singing had all the fascinating quality which only the negro can impart, and won loud applause.

The wardrobe of the company is exceptionally fine and the costumes are new and of unusual quality. The costumes are all of silk and velvet and make a most brilliant appearance. The acts are clean and the humor refined and appealing to the highest grade of the audience.—Grand Junction News. Ukiah Tue., May 7.
